WATER WARNING DECLARATION ISSUED BY THE MAYOR

As of 12:01 a.m. on Saturday June 3rd, 2023, I, William D. Gerdes, am declaring a “Water Warning” for the City of Waverly Nebraska and urge everyone to conserve water.

Our well levels have dropped to a level that trigger a “Water Emergency” but I will not declare that at this time in hopes that voluntary water restrictions along with some help from above will help raise our well levels.

- **Tuesday, Thursday, and Saturday** – Addresses ending in an **even number** (0, 2, 4, 6, 8) asked to water on these days only *if needed*.
- **Sunday, Wednesday, and Friday** – Addresses ending in an **odd number** (1, 3, 5, 7, 9) asked to water on these days only *if needed*.
- **MONDAY** – All addresses are asked to conserve and not water.

§51.37 AUTHORIZES THE DECLARATION OF A WATER WATCH, WARNING, OR EMERGENCY; ESTABLISHING PROCEDURES AND VOLUNTARY AND MANDATORY CONSERVATION MEASURES; AUTHORIZING THE ISSUANCE OF ADMINISTRATIVE REGULATIONS; AND PRESCRIBING CERTAIN PENALTIES.

Section 6. Voluntary Conservation Measures. Upon the declaration of a water watch or water warning as provided in Sections 3 and 4, the mayor is authorized to call on all water consumers to employ voluntary water conservation measures to limit or eliminate nonessential water uses including, but not limited to, limitations on the following uses:

- (a) Sprinkling of water on lawns, shrubs, or trees (including golf courses), that users are voluntarily asked to conserve water by rotating water use on an even, odd system. Tuesday, Thursday, and Saturday addresses ending in Even numbers, are asked to water on these days only. Wednesday, Friday, and Sunday, addresses ending in odd numbers, are asked to water on these days only...
- (b) Limit washing of automobiles.
- (c) Limited use of water in swimming pools, fountains, and evaporative air conditioning systems.
- (d) Waste of water on sidewalks, driveways, and streets.

William D. Gerdes, Mayor
